RICHEFE GLOBAL RESOURCES

# THE COMPANY

**RICHEFE GLOBAL RESOURCES**

## **THE COMPANY**

Richefe Global Resources Limited is an indigenous Nigerian company incorporated in year 2009 to bridge the service gaps in the areas of Marine Operations, Equipment Procurement & Leasing, Dredging, Engineering works spanning Civil Construction jobs, Electrical & Rural Electrification, Procurements and Project Management amongst other engagements within the allied Company incorporation act.

Specifically over the years we have earned our partners trust in the Areas of Heavy Equipment Leasing & Procurements to majorly Multi-national Organisations as well as springing indigenous entities. We are versatile in procurement of specific Equipment of best International standards required by our clients from reputable International Manufacturers with track records of High Performance.

In the field of Equipment Leasing, we optimize our in-depth Experience and professional delivery records over the years to satisfy our valued clients in their Designated Equipment Request for Leasing purposes to meet their needs of prompt service deliveries and in a timely fashion.

## **VISION STATEMENT**

We are striving to be the most sought after Service Delivery Entity in our fields of engagements while attaining global recognition as a company for the future.

## **MISSION STATEMENT**

To create value by our service provision to our clients satisfaction while motivating our Employees in the course of their engagements and make good returns to the investments of our great shareholders.

## **SERVICES**

We serve Construction companies (Dredging, Stockpiling of sand and Sandfilling, Oil and Gas companies, Marine Companies, Manufacturing Conglomerates, Shipping Companies, Government Agencies among others.

The Services RICHEFE GLOBAL RESOURCES LIMITED Offer are special employing highly skilled manpower with state of the art Technological solutions.

Broadly classified, we provide solutions to challenges in:  
Dredging and Sandfilling, Erosion Control, Shoreline Protection , Embarkment  
Infrastructural/Engineering Works  
Equipment Leasing Services  
Marine Logistics and Pipeline Support Services  
Oil and Gas Services  
Procurement and Supplies

## • **DREDGING AND SAND FILLING**

As specialist in dredging operations Richefe Global Resources limited engages in excavation of sands, sediments, debris and other desired materials from water bodies such as rivers, lakes, etcetera for the purposes of land reclamation, construction of Bridges, Housing models, Housing Estate, Roads, Recreational facilities and so on. Our activities over the years have brought with it immense experiences that distinguishes our seasoned dredgers, and the entire crew from the rest competitors culminating in our ability to deliver every task dredging with expertise required in the international best practices in the industry ensuring consistent performance to meet the needed time frame. Our distinct capabilities to mobilize to sites with the right dredging machines capacities ranging from 14"/14" to our computerized high definitive 28"/26 dredger with an average output of 4000 cubic meters of sand per hour and can be programmed to work day and night. Our daily deliveries are unparalleled by any of our competitors at a very affordable rate. Our major objective is the satisfaction of our customers that makes a lasting impression for them.

**RICHEFE GLOBAL RESOURCES**
